## **PRESIDENT'S LETTER**

As we move into the last quarter of the Chapter year, we start thinking about next year. Every member should have received an email to vote for our chapter's executive board for next year. Elections are held until April 30th, so if you haven't voted yet, please vote. We will announce the new board in May.

Do you know a Manager who "gets" safety? We want to hear about them! This year, our board is looking to recognize managers who support safety holistically. Managers who demonstrate a level of understanding and support within your company, community, and also supporting safety professionals through supporting your involvement with ASSP. Nominations are open for a few more weeks, please submit your nomination form to [tiffanyreenebarnett@gmail.com](mailto:tiffanyreenebarnett@gmail.com).

Our June meeting will recognize these managers with an award and dinner.

The chapter is meant for a resource to you, please let us know how we can better serve you.

Live, Love, and Stay Safe,  
Tiffany Barnett  
SF Chapter President

## CAREER OPPORTUNITIES

(Click on the job title for full description and application)

The ASSP Career Center is a free resource available to all ASSP Chapter members who are looking for a job or those who want to advance their safety careers. The Career Center offers career coaching, resume writing tips, tools to build your resume online, and interview preparation and follow-up strategies such as salary negotiation. The Job Board allows you to search for job postings throughout the US and internationally by applying filters that fit your criteria including keyword, location, industry or job function. The automated Job Alert search sends new postings that fit your criteria right to you, instead of having to log in to search for new jobs. Visit the ASSP Career Center and Job Board at [jobs.assp.org/](http://jobs.assp.org/) or ASSP San Francisco's Job Board at <https://sanfrancisco.assp.org/current-openings/>
