PRESIDENT'S MESSAGE

Greetings Everyone!

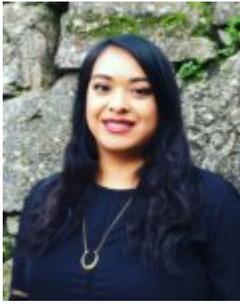

We had our first technical meeting of the year on September 19th at Trader Vic's in Emeryville. Our speaker was Clyde Trombetta from Cal-OSHA's Process Safety Management (PSM) Unit. We had a good discussion about the use of PSM Standard's Recognized And Generally Accepted Good Engineering Practices (RAGAGEP) requirements in the State of California.

If you are passionate about a Safety-related topic and would like to present at the upcoming Bay Area Safety Symposium, please fill out a speaker application. Deadline for submission is October 15th.

Our next gathering will be a Happy Hour Event on October 9th at District in Oakland, CA. RSVP can be found on our Events page.

We hope to see you there!

Respectfully,

Amanda Shin
President, San Francisco Chapter
American Society of Safety Professionals
