PRESIDENT'S MESSAGE

Greetings Everyone!

Our October Happy Hour Networking Event in Oakland was a success. We had 20 Safety Professionals come to our event to hang out and meet other fun professionals.

We also had our November Technical Meeting today with speaker Chris Kirkham from Cal/OSHA's Health Standards Unit. We had a great turnout, with 24 attendees. His presentation can be found on our webpage under files. There was a lot of great relevant information on upcoming standards to look out for.

We are looking to publish the final schedule for the Professional Development Conference in March by Thanksgiving week. However, we are still looking for more speakers to submit proposals for the Construction track. If you are in the Construction industry and have a topic you are passionate about that you'd like to share, please submit a proposal, which can be found here: <https://www.safetybayarea.com/media/BayArea2019Speakers.pdf>

Our next event will be our Holiday Party, on Tuesday December 11th at Ballena Bay Yacht Club, 5-8pm. More info found below.

Lastly, our hearts and prayers go out to everyone that has been affected by the fires that have been ravaging California. For local Northern California residents, I have put information below on how we

can help either through monetary or supplies donation. Local shelters are taking specific donation items for people and pets affected by the fires.

Respectfully,

Amanda Shin
President, San Francisco Chapter
American Society of Safety Professionals

December Holiday Event

Please Join us for our Annual Holiday Event at the Ballena Bay Yacht Club, on Tuesday December 11th from 5-8pm

We will be having a Marine from Toys for Tots at the event. We are asking attendees to bring a bicycle helmet, elbow pads, and/or knee pads to donate to Toys for Tots during the holiday season.

We hope to see you there!
