### PRESIDENT'S LETTER

Greetings SF Chapter Members,

Last week was the 2019 Bay Area Safety Symposium. We had over 400 Safety Professionals in attendance, the best turnout yet. A big thank you to everyone that was able to attend! The presentations are now available online at [www.safetybayarea.com](http://www.safetybayarea.com).

We have also posted photos from the 2019 Bay Area Symposium and of the following members below.

- Louis Renner - 2019 Chapter SPY Award Winner
- Peter Libeu - 2019 President's Award Winner
- Steve McConnell - 2019 Past President's Award Winner

In April we are planning a tour of the National Ignition Facility (NIF) at the Lawrence Livermore Labs. Attendance is limited to 15 people and lunch will be provided afterwards. This will be one you won't want to miss. Registration

is now open and the sign up link can be found below under our "Upcoming Events" section.

We are actively recruiting people to join the 2019-2020 SF Chapter Executive Board. If you are interested, please do not hesitate to reach out to our past president, David Paoletta, for more information: [pastpresident@sanfrancisco.assp.org](mailto:pastpresident@sanfrancisco.assp.org). A communication with more details will be coming out shortly.
